

Patient-Focused Technology for Enhanced Profitability

ZimVie and Nakanishi Dental Lab invite you to join them for an educational dinner focused on the latest advancements in dental technology. Discover how to improve clinical outcomes, streamline restorative workflows, and enhance practice efficiency while reducing costs.

Improve Patient Experience and Outcomes

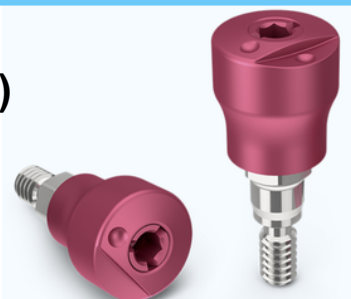

- Fewer appointments.
- Faster, more comfortable impressions or scans.
- Enhanced preservation of both hard and soft tissue.

Streamline Workflow and Reduce Inventory

- Reduce abutment swaps.
- Faster scans and traditional impressions.
- Eliminate impression copings, traditional materials, and scan bodies.
- 3-in-1 impression system does it all!
